

SUMMER PROGRAMS

Will. Power.

WPU SUMMER ART INSTITUTE

ARTS 1990

Motion Graphics

JULY 8TH - AUGUST 16TH, 2024

MONDAY & WEDNESDAY
9:00 AM - 12:30 PM

This course prepares students in the use of industry standard tools for motion graphics design, video composition and animation. Emphasis is placed on keyframe animation, basic motion design, audio integration, effects, and software presets. This course provides continuity with time-based media between traditional static graphic design courses and character animation. Students will work extensively with typography, video footage, still images, vector graphics, and audio assets to create advertisement promotions, and general video content.
