34 Advisement, to update the Senate on the Task Force’s progress at the next meeting.

35 The Senate is still awaiting a resolution to the disagreement on numbers reported by K. Cohen and Ki Hee Kim.

36 Regarding the Graduate Council resolutions passed by the Senate in December, Parras reported that the  
37 electronic application is up and running and relevant staff are being trained. It will be fully integrated for both  
38 graduate and undergraduate admissions by the end of the semester. The question regarding the dates when  
39 graduate assistantships are announced has been referred to the Provost’s Office.

40 The Minutes of the Strategic Plan Implementation groups have still not been posted. Three teams have detailed  
41 updates which should be posted within the week.

42 Parras recommended that the University's Dashboard Indicators be online so that their alignment with the  
43 Strategic Plan can be properly evaluated.

44 Parras urged Senate representatives to various groups to request floor time to present brief reports

45 The Supplementary Budget Process for 2014 is well under way. Parras recommended that next year the process  
46 be better coordinated with the Strategic Plan implementation. Nonetheless, departments must have a strategic  
47 rationale for each request for resources this year.

48 Finnegan asked what "in attendance" means in an online class, and how campus closures affect online classes.  
49 Waldron said she would get an answer within ten days.

56 The annual Senate Chairs Lunch will be held on Thursday at 12:30pm in UC 211.

57 **UNDERGRADUATE COUNCIL RESOLUTIONS:** Mason presented two related resolutions regarding the  
58 inclusion of Intermediate French I in the French and Francophone Studies Minor and Intermediate French II in  
59 the FFSS Major; Snyder seconded. Bernstein presented the rationale and answered questions. There was some  
60 discussion of the level of competence required for each. Cruz Paul, Dinan, Martus, Davis, McNeal, Pavese and  
61 Diamond commented. The two resolutions were approved by voice vote, with four objections and two  
62 abstentions.

63 **NATIONAL SURVEY OF STUDENT ENGAGEMENT REPORT:** Bob Seal, Chief of Staff to the  
64 President and Board of Trustees, presented the details of the report he made to the Board. He highlighted areas  
65 in which WPU is moving in the right direction and areas that need work. He said that the report had been sent to  
66 the deans and to the UCC Council.

67 In response to Pavese's question, Seal said that full-time and adjunct faculty are treated the same by NSSE. Kim  
68 asked about our peer group. Seal described how developed a list of ten non-New Jersey institutions. The Board  
69 of Trustees wants Montclair and the College of New Jersey added to the peer group. Diamond and Seal  
70 discussed ways of increasing the response rate. McNeal asked why all students weren't invited. Seal replied that  
71 it was random sample created with NSSE's guidance. Snyder noted that this is a self-report survey and that we  
72 may have more students who come in less prepared. Natrajan said that more of our student may be working off  
73 campus than at the other schools. Godar added that those students who are working may be less likely to  
74 respond to such a survey. Cruz Paul said that most of our students who work do so part time, not full time. Tardi  
75 disagreed. Lee suggested that transfer students may have a very different experience from those who start as  
76 freshmen.

77 Andreopoulous asked what the original contribution of this survey was: what does it tell us that we don't  
78 already know? Seal said that by seeing trends and studying responses the University has made and continues to  
79 make changes in how things are done. He pointed to the one-stop-shopping in Morrison Hall as a response to  
80 student complaints about getting the run-around. More importantly, creating a more engaging campus  
81 environment will get students more engaged, leading to better performance.

82 Bhat suggested creating an express version of the survey that could be completed during a class session. Seal  
83 said that it takes about twenty minutes to do the entire survey. Verdicchio suggested that the idea of a non-  
84 academic Common Hour should be revisited. He was disappointed that so many students do not feel better  
85 about the institution over time.

86 **UNIVERSITY CORE CURRICULUM:** Levitan and Malanga initiated a discussion of two UCC Council  
87 resolutions. They noted that Natrajan will present and lead a discussion at a future meeting. The UCC Council  
88 has been more than twice the size of the other councils since its inception, consisting of two representatives  
89 from each college, librarians, professional staff, adjunct faculty and four at-large members. Levitan and  
90 Andreopolous moved that the UCC Council continue at its present size and structure. Finnegan and McNeal  
91 started the discussion when Steinhart moved to table the motion until the next meeting. Levitan then withdrew  
92 the motion, and the Executive Committee will put the item on the Agenda of the next meeting.

93 **ADJOURNMENT:** The Faculty Senate adjourned at 1:45 PM.

94 The next meeting of the Faculty Senate will be held on Tuesday, February 26<sup>th</sup> at 12:30 PM in the Ballroom C.

95 Respectfully submitted: Bill Duffy, Secretary
