PREAMBLE

This Agreement entered into by the State of New Jersey, Office of Employee Relations in the Governor's Office and hereinafter referred to as the "State" and the New Jersey State Policemen's Benevolent Association State Law Enforcement Unit, referred to as "NJ State PBA - SLEU", has as its purpose the promotion of harmonious employee relations between the State and the NJ State PBA - SLEU, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of salaries, wages, hours of work and other terms and conditions of employment.

ARTICLE I

Recognition

The State recognizes the NJ State PBA - SLEU as the sole and exclusive representative of those employees in the State Law Enforcement Unit for the purpose of collective negotiations concerning salaries, wages, hours of work and other terms and conditions of employment.

The State will not negotiate any other or any additional terms and conditions of employment, including those expressed in this Agreement, with any individual or group of employees in this unit.

A. 1. Included are all full-time permanent and provisional employees of the State of New Jersey listed in the subunits delineated in Appendix II. It is specifically agreed by NJ State PBA - SLEU and the State that any and all administration of this Agreement must be conducted between the State and NJ State PBA - SLEU, and not with any subunit.

2. Whenever new classifications of employees are created, the State shall assign to such classification an appropriate unit designation. The State will notify the NJ State PBA - SLEU of such designations to this negotiations unit thirty (30) days prior to the effective date of amending such listing. If requested in writing, the State will discuss any such designation with the NJ State PBA - SLEU. In the event no agreement is reached on such amendment after discussion as provided herein, the resolution of the matter shall be by the clarification of unit procedures of the Public Employment Relations Commission ("PERC").

B. Excluded are:

1. Managerial Executives
2. Supervisors
3. State Troopers
4. Employees represented in other certified bargaining units.
5. Classifications within the Department of Higher Education except those in the State College System.
6. All other employees of the State of New Jersey not included within the Statewide Law Enforcement Unit.
7. All law enforcement employees of the Department of Corrections, Juvenile Justice Commission, and State Parole Board.

ARTICLE II

Job Training Partnership Act and Special Circumstances

Employees who are within the classifications included in this unit, but appointed under the JTPA Program or other comparably funded employment programs, are considered to be subject to all provisions of this Contract as provisional employees, except that the Federal legislation and regulations concerning these programs and any agreement between the State and any local government prime sponsor which is involved shall be in effect and modify the provisions of this Contract which would otherwise be operable.

Any grievance as to whether or not the provisions of the Contract conflict with Federal legislation or regulations or any agreement with a local government prime sponsor shall be considered to be governed under A.2. of the Grievance Procedure.

ARTICLE III

Management Rights

The State, its several departments and subordinate functions, retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and of the United States of America.

Except as specifically abridged, limited or modified by the terms of the Agreement between the State and the NJ State PBA - SLEU and Ch. 303, L. 1968, all such rights, powers, authority, prerogatives of management and responsibility to enforce reasonable rules and regulations governing the conduct and the activities of employees are retained by the State.

ARTICLE IV

Civil Service Regulations

It is intended that the administrative and procedural provisions and controls of the Civil Service law and Rules and Regulations promulgated there under are to be observed in the administration of this Agreement, where applicable, except and to the extent that this Agreement pertains to subjects not therein contained.

ARTICLE V

Non-Discrimination

The provisions of this Agreement shall be applied equally to all employees and the NJ State PBA - SLEU and the State agree there shall not be any discrimination including differential treatment and/or harassment based as to race, creed color, national origin, nationality, ancestry, age, sex, familial status, marital status, affectional or sexual orientation, atypical hereditary cellular or blood trait, genetic information, liability for military service, and mental or physical disability, including perceived disability and AIDS and HIV status domestic partnership; political affiliation; association membership, or lawful membership activities or activities provided in this Agreement, or any other status protected by law.

ARTICLE VI

Policy Agreements

A. Employee Relations Policies

1. During the term of this Agreement the parties agree that neither the NJ State PBA - SLEU, nor any employee represented by it, will engage in or support any strike, work stoppage, slowdown, or any job action.
2. No lockout of employees shall be instituted or supported by the State during the term of this Agreement.
3. The NJ State PBA - SLEU recognizes its responsibility as exclusive collective negotiations agent and agrees to represent all employees in the unit without discrimination.
4. These agreements are not intended to limit the freedom of speech of the NJ State PBA - SLEU or its members.

B. Quarterly Employee Relations Meetings

1. A committee consisting of State and NJ State PBA - SLEU representatives may meet for the purpose of reviewing the administration of this Agreement, and to discuss problems which may arise. Said committee meetings shall be

some time during the last week of February, May, August and November. These meetings are not intended to by-pass the grievance procedure or to be considered contract negotiation meetings but are intended as a means of fostering good employee relations through regular communications between the parties.

2. Either party may request a meeting and shall submit a written agenda of topics to be discussed seven (7) days prior to such a meeting. If the NJ State PBA - SLEU requests such a meeting, the State shall schedule the meeting.

3. A maximum of one (1) employee representative of each component subunit of the NJ State PBA - SLEU may attend such quarterly meetings and, if during duty hours, shall be granted time to attend without loss of pay. If any employee representative attends the statewide quarterly meeting and is scheduled to work and works on another shift on the date of said meeting or attends the meeting on his/her normal day off, he/she shall be granted compensatory time for the actual time spent at the meeting. Such compensatory time granted shall not be considered time worked for the computation of overtime.

C. It is further agreed that the NJ State PBA - SLEU shall meet with a State committee on a semi-annual basis, if requested. The purpose of such meetings being to review the administration of this Agreement as it pertains to the subunit employees by amicably relieving problems on an informal basis and to reduce costs and loss of time for all parties consistent with the conditions agreed to in B. above except that a maximum of three (3) NJ State PBA - SLEU representatives, who shall be authorized to speak for the NJ State PBA - SLEU, shall attend such meetings.

D. Performance Assessment Review

The State will maintain a Performance Assessment Review system (PAR) for all employees, except those in trainee status, covered by this Contract. The system will include a formal process whereby the employee and his designated supervisor mutually formulate performance and improvement goals and work standards appropriate to the job performed which shall be the basis for measuring the employee's performance during a rating period.

Where the employee and designated supervisor fail to reach agreement on performance and improvement goals and work standards, the dispute may be processed as an A.2 non-contractual grievance through the grievance procedure.

There shall be a written evaluation and rating of each employee completed annually which shall be the basis for granting a normal merit increment to eligible employees, if such is provided for in the Salary Program Article of this Contract. More frequent assessments may be made where circumstances such as promotion, changes of the supervisor or other reasons may warrant. In such cases, the annual rating shall be a function of all such evaluations. No performance elements older than one (1) year shall be included in the then current performance evaluation.

Employees who are eligible and whose performance is "marginally below standard" or higher shall be granted a normal merit increment, if such is provided for in the Salary Program Article of this Contract.

At least every six (6) months, the employer shall have a conference with the employee in connection with performance assessment and improvement goals and work standards. A written record of such conference shall be provided to the employee.

Where the performance of an employee is less than "standard" the designated supervisor will confer with such employee not less frequently than every three (3) months and shall set forth the deficiencies and improvement goals required to achieve "standard or better performance." A record of such conferences shall be made and a copy given to the employee and at the request of the employee a copy shall be made available to the Union.

Where there are disagreements between the employee and his supervisor on a

performance assessment, the employee may note in writing the disagreements and may have a Union representative discuss the disagreements with the supervisor.

Where the normal merit increment has been denied due to a "significantly below standard" performance rating, and if subsequent performance of the employee is determined by the supervisor to have improved to the point which then warrants granting of the normal merit increment, such increment will be granted effective on any payroll period following 90 days from the anniversary date. The determination by a supervisor to recommend the reinstatement of a merit increment as provided herein shall not be grievable.

The normal anniversary date of such employee shall not be affected by this action.

The required signature of the employee on the annual assessment review form or any related form shall be acknowledgment but shall not be construed to mean agreement with the content unless such agreement is stated thereon by the employee.

The State will use a variety of communications media, which may include booklets, pamphlets, publications, letters and announcements, to keep employees informed on the current status of the Performance Assessment Review System. All new employees at the time of hire shall receive an orientation booklet describing the objectives of the assessment system. Such material will be distributed to employees through their appropriate personnel function. Additional copies of such communications shall be supplied to the Union at its request.

In the event of a proposed modification or change in part or all of the Performance Assessment Review System, the State agrees to discuss such changes with the Union prior to its introduction and/or adoption.

E. Evaluation Report During Probationary Period (Working Test Period)

During the normal probationary period of four (4) months the employee will be advised of his progress, in writing, at the end of the second and fourth months. During the fourth (4) month, the employee shall be advised as to whether he has successfully completed the required probationary period or if the probationary period is to be extended. If the probationary period is extended to a maximum of six (6) months, the employee will be advised of his progress at the end of the fifth (5) month and sixth month.

In exception to the previous paragraph, where certain titles have one year working test periods, the employees in such titles will be advised of their progress at the end of six (6) months and again at the end of one year.

ARTICLE VII

Dues Deduction

A. Membership Dues

1. The State agrees to deduct from the regular pay of any employee, the dues of the NJ State PBA - SLEU provided the employee submits an authorization for dues deduction in writing and on proper form to the responsible payroll clerk. The payroll clerk shall process and forward a properly executed form, within seven (7) days, to the centralized payroll section, Department of the Treasury. Dues deduction will be reflected in the next regular paycheck provided the authorization form is received in centralized payroll at least seven (7) days prior to the end of the pay period.

2. Dues deductions for any employee in this negotiations unit shall be limited to the NJ State PBA - SLEU, the duly certified majority representative, and employees shall be eligible to withdraw such authorization only as of July 1 of each year.

3. Dues so deducted shall be transmitted to the designated officer of the NJ State PBA - SLEU together with a listing of the employees included.

4. The President of the NJ State PBA - SLEU shall certify to the State the amount of dues and shall notify the State of any change in the amount of dues to be

deducted thirty (30) days prior to the intended effective date of such change.

B. Representation Fee (Agency Shop)

1. Purpose of Fee

Beginning thirty days after signing of this agreement all eligible non-member employees in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

2. Amount of Fee

Prior to the beginning of each agreement year, the NJ State PBA - SLEU will notify the State, in writing, of the amount of regular membership dues, initiation fees and assessments charged by the NJ State PBA - SLEU to its own members for that agreement year, and the amount of the representation fee for that agreement year. Any changes in the representation fee structure during the agreement year shall be in accordance with A.4. above.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members, less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. Deduction and Transmission of Fee

a. Once during each agreement year, the NJ State PBA - SLEU will submit to the State a list of those employees who have not become members of the NJ State PBA - SLEU. After verification by the State that these employees must pay the representation fee, the State will deduct the fee in accordance with this Article.

The NJ State PBA - SLEU will notify the State, in writing, of any changes in the list provided and such changes will be reflected in any deductions made more than ten (10) days after the State received said notice.

b. The mechanics of the deduction of representation fees and the transmission of such fees to the NJ State PBA - SLEU will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the NJ State PBA - SLEU.

c. In no event will the representation fee be deducted from a new employee before thirty (30) days from the beginning date of employment in a position in this unit.

4. Demand and Return System

a. The representation fee in lieu of dues only shall be available to the NJ State PBA - SLEU if the procedures hereafter are maintained by the NJ State PBA - SLEU.

b. The burden of proof under this system is on the NJ State PBA - SLEU.

c. The NJ State PBA - SLEU shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the NJ State PBA - SLEU that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

d. The employee shall be entitled to demand and have returned from the NJ State PBA - SLEU any portion of the representation fee which is expended on those activities listed in paragraph c.

The NJ State PBA - SLEU shall submit a copy of the union review system to the Office of Employee Relations. The deduction of the representation fee

shall be available only if the NJ State PBA - SLEU establishes and maintains this review system.

e. If the employee is dissatisfied with the NJ State PBA - SLEU's decision, he may appeal to a three-member board established by the Governor.

5. State Held Harmless

The NJ State PBA - SLEU hereby agrees that it will indemnify and hold the State harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from deductions made by the State in accordance with this provision. Once the representation fee in lieu of dues is remitted to the NJ State PBA - SLEU by the State, disposition thereafter shall be the sole and exclusive obligation and responsibility of the NJ State PBA - SLEU.

6. It is understood that the implementation of the agency fee program is predicated on the demonstration by the Union that more than 50% of the eligible employees in the negotiating unit are dues paying members of the Union.

If at the signing of this agreement the above percentage has not been achieved, the agency fee plan will be continued through pay period 26 of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date, i.e., January 1, April 1, July 1 or October 1, the agency fee plan shall be reinstated, with proper notice to affected employees.

In each year of the agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

ARTICLE VIII

NJ State PBA - SLEU Rights

A. Access to Premises

1. Previously designated representatives of the NJ State PBA - SLEU, who have been acknowledged by the State, shall be admitted to the premises of the State on NJ State PBA - SLEU business. Notice of any change in status of any previously designated representatives as well as notice of new designated representatives shall be given to the State by NJ State PBA - SLEU as soon as practicable. The NJ State PBA - SLEU has the sole right and discretion to appoint such designated representatives and to specify their respective responsibilities and authority to act for the NJ State PBA - SLEU.

Request for such visitation rights for such designated representatives shall be directed to designated State officials and include the purpose of the visit, proposed time and date, and specific work areas involved. Permission for such visits shall not be unreasonably withheld.

Such NJ State PBA - SLEU officials shall also have the opportunity to consult with off duty employees in the negotiations unit before the start of the work shift, during lunch or breaks, or after completion of the work shift. The State will designate appropriate places for such consultations.

2. The rights of access provided in this section A above shall not be granted to any other employee organization or to any representative or employee of such organization for the purpose of communicating with employees in this unit.

3. Where a problem occurs which is of such consequence as to suggest the need for a higher than local level NJ State PBA - SLEU representative, a request to permit the NJ State PBA - SLEU President or designee access to the location of the problem may be directed to the Office of Employee Relations for approval. A decision and any

conditions imposed by the Office of Employee Relations shall be final. Approval of such requests shall not be unreasonably withheld and the NJ State PBA - SLEU shall have the right to grieve the matter of reasonableness.

4. A telephone shall be available at each installation or institution for use by mutually agreed representatives of the NJ State PBA - SLEU for NJ State PBA - SLEU business. Such representatives may also use fax machines and copy machines where available. The NJ State PBA - SLEU shall reimburse the State for telephone charges, as well as costs for the use of the fax and copy machines, if any. Abuse of this right will result in forfeiture.

5. The State will provide a thirty (30) minute period during a new employee's training period to allow an NJ State PBA - SLEU representative to meet and explain the NJ State PBA - SLEU's responsibilities.

6. Where the NJ State PBA - SLEU has mail to be delivered to its Officers, the intra-office mail system will be made available, provided that priority is retained for the business of the State.

B. NJ State PBA - SLEU Activity With Pay

The State agrees that during working hours, on its premises and without loss of pay, properly designated and mutually agreed upon NJ State PBA - SLEU representatives shall be allowed to attend scheduled meetings with the State and its representatives concerning the application of the Agreement, in addition to those activities described in Article XXV, Section C, 4.a-c.

The accredited NJ State PBA - SLEU representative shall provide reasonable notification to his supervisor and to the appointing authority whenever he wishes to transact Association business on State time.

C. Transfer and Reassignment (For NJ State PBA - SLEU Officers)

1. The State and the NJ State PBA - SLEU recognize that NJ State PBA - SLEU Officers have in their relationship to their jobs a need for continuity in the assigned shift and location which exceeds that of other fellow employees. It is agreed, therefore, that NJ State PBA - SLEU Officers mutually agreed upon will not be routinely reassigned or transferred involuntarily.

2. The State and the NJ State PBA - SLEU recognize the need to utilize all personnel to meet operational requirements effectively and notwithstanding the commitment in paragraph C.1. above that movement of such NJ State PBA - SLEU Officers may be necessary and appropriate (generally on a temporary basis) in exception to the guideline agreed to in paragraph C.1. The exception provided in this paragraph will not be used arbitrarily.

D. Bulletin Boards

1. The State agrees to furnish a suitable share of existing bulletin boards in convenient places in each working area to be used exclusively by the NJ State PBA - SLEU. The space provided shall minimally approximate 30 x 30 inches or the equivalent.

2. If the NJ State PBA - SLEU desires additional bulletin boards, it may request permission to erect its own. A request to erect a bulletin board in conformance with State standards shall not be unreasonably withheld.

3. The NJ State PBA - SLEU shall limit its postings to notices, bulletins, reports and similar materials which shall not contain any profane or obscene matter or be defamatory of any individual or the State. The NJ State PBA - SLEU shall not post election campaign materials. Postings shall be signed by an authorized representative of the NJ State PBA - SLEU or the organizational origin shall be set forth.

4. The State will provide space in central locations and areas frequented by employees in the unit where NJ State PBA - SLEU newspapers, circulars and literature may be placed so that employees may pick up copies during non-work time provided

that such material for distribution is consistent with 3. above of this provision. It is further agreed that the NJ State PBA - SLEU will assure that all undistributed literature is removed from the distribution points after a reasonable time.

5. Any material which an authorized representative of the Office of Employee Relations alleges to be in violation of this Agreement, shall be promptly removed by the NJ State PBA - SLEU. The matter may then immediately be initiated as a Step 3 grievance for resolution by the NJ State PBA - SLEU or submitted to the Office of Employee Relations.

6. The State may, upon request of the NJ State PBA - SLEU, undertake to make specific postings of authorized materials on behalf of the NJ State PBA - SLEU.

E. Designated Subunit Representatives

The NJ State PBA - SLEU has the sole right and discretion to appoint "Designated Subunit Representatives" and to specify their respective responsibilities and authority to act for the NJ State PBA - SLEU. The State reserves to its discretion the extension of privileges to limited numbers of such Designated Subunit Representatives as agreed upon with the NJ State PBA - SLEU.

ARTICLE IX

Access to Folders and Evaluations

A. An employee shall, within two (2) working days of a written request to his agency or department, have an opportunity to review his personnel history folder in the presence of an appropriate official of the department or agency to examine any criticism, commendation or any evaluation of his work performance or conduct prepared by the State during the term of this Agreement. Such examination shall not require a loss of paid time. The personnel folder subject to examination shall include the employee's employment application, performance appraisal forms, letters and reports of commendation, special training or other related achievements, and reports of criticism, warnings, reprimands, suspensions, fines or demotions. Nothing in this Article shall be construed as granting an employee access to confidential documents other than the above items regardless of whether or not these materials are normally maintained in the same folder with other personnel records. The State shall honor any reasonable request of employees for copies of documents in the file.

Employees shall be allowed to place in such file a response of reasonable length to anything contained therein. If any material derogatory to the employee is placed in his file, a copy of such material shall be sent to the employee within ten (10) working days.

B. Each regular written evaluation of work performance shall be reviewed with the employee and evidence of this review shall be the required signature of the employee on the evaluation form. Such signature shall not be construed to mean agreement with the content of the evaluation unless such agreement is stated thereon.

C. An employee may request the expungement of materials included in the folder where there are pertinent and substantive inaccuracies or for reasons of time duration, relevance or fairness. Such requests will be evaluated in relation to the State's needs for comprehensive and complete records but will not be unreasonably denied.

D. No document of anonymous origin shall be maintained in the personnel folder.

ARTICLE X

Personnel Practices

A. Identification Cards

A standardized identification card shall be utilized for all employees in the negotiations unit.

The State shall furnish identification cards to all employees who have served continuously for six (6) months. Lost cards shall be reported immediately and the first

replacement shall be made at no cost to the employee.

B. Civil Service Examinations

1. Employees who are scheduled to take open competitive examinations for the position in which the employee is provisional, or to take promotional examinations administered by the Civil Service Commission of the State of New Jersey, for positions in the State service, shall be granted time off with pay to take such examinations if they are scheduled during the work shift of the employee. Such privileges may not be abused.

2. When an employee has been certified for promotion and is scheduled to be interviewed by the agency to which he may be promoted, he shall suffer no loss in pay to attend the scheduled interview including travel time required, if during his regular work shift.

C. Education Program Announcements

When announcements are published by the State which describe available educational programs or State scholarships, such materials will be posted prominently in order that interested employees may be informed of this availability. The appointing authority of each department shall forward copies of these items to the President of the NJ State PBA - SLEU.

D. Printing of Agreement

The State will reproduce this Agreement as soon as reasonably possible. The State will provide the PBA - SLEU with seventy-five (75) hard copies as well as an electronic downloadable version of the Agreement. The Agreement cover will include the seal of the State of New Jersey and the NJ State PBA - SLEU insignia.

E. Fringe Benefit Information

The State shall provide a booklet describing the health benefits program, the life insurance and pension program and similar available publications to each employee upon request and to all new employees when hired.

F. Lateness

Whenever an employee is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. An employee who has a reasonable excuse and is less than fifteen (15) minutes late is not to be reduced in salary or denied the opportunity to work the balance of his scheduled shift and he shall not be disciplined. Where there is evidence of repetition or neglect or the employee incurs (3) such lateness in a thirty (30) day period, the employee may be disciplined regardless of whether the employee has a reasonable excuse for such absence. In all circumstances the employee will be paid from the time he or she commences work.

Lateness beyond the fifteen (15) minute period above shall be treated on a discretionary basis. This provision is not intended to mean that all lateness or each incidence of lateness beyond fifteen (15) minutes shall incur disciplinary action or loss of opportunity to complete a work shift or reduction of salary.

Consistent with the two paragraphs above, management shall maintain a record of lateness. This record may be used as the basis of disciplinary action, compulsory charge against an employee's compensatory time bank, or reduction in salary or any combination thereof. A record of such lateness shall be maintained and may be charged against any compensatory time accrual where there is evidence of repetition or neglect.

G. Lateness or Absence Due to Weather Conditions

1. Cases of inclement weather shall be handled in accordance with the State's inclement weather policy as issued by the Governor's office of Employee Relations.

2. When the State of New Jersey or a County within New Jersey declares a state of emergency due to weather related conditions, an employee who has made a reasonable effort to report on time and is less than one-hour late for duty due to delays caused by such weather related conditions shall not be disciplined for such lateness. Lateness beyond one (1) hour shall be treated on a discretionary basis. This provision is not

intended to mean that all lateness or each incidence of lateness beyond one hour shall incur disciplinary action.

3. Every employee is required to adjust his/her regular preparations for travel to work upon reasonable knowledge of expected inclement weather forecasts. Such measures shall include, but not necessarily be limited to earlier travel times and reasonable advance vehicle and roadway preparations in anticipation of substantially longer commute times during times of expected inclement weather.

H. Excused Illness During Work Time

An employee may apply for use of sick leave for periods of less than his full work day for any appropriate and approved reason such as becoming ill while working during the assigned shift or in order to keep a medical appointment which could not be arranged during non-work time. The employee must charge such sick leave against his accumulated sick leave balance, or, if such employee has no sick leave balance, he may charge such time against other accrued paid leave time if available, or, alternatively, leave without pay. Utilization of any sick leave for less than a full work day shall be on an hourly basis; one hour of sick leave charged for each hour, or portion thereof, excused from the work shift. For purposes of this clause, only, seven (7) hours is equal to one (1) day of sick leave for employees serving in a No Limit (NL) category and eight (8) hours is equal to one (1) day of sick leave for those employees serving in a NL4 category. Where an NL or NL4 employee utilizes sick leave for a period of less than his established work schedule for the day, such employee shall be charged sick leave on a pro-rata basis in accordance with the work schedule established on the day of utilization.

I. Notice of Suspension

1. When an employee is suspended from duty the notice of such suspension shall be given to the employee immediately. Where such notice has not been given and the employee reports for work and is willing and able to perform his normal duties he shall not be deprived of the opportunity to work on that day and shall be paid for a minimum of one-half (1/2) day or for a full day if he works more than four (4) hours.

Notice required above may be by written message or oral or telephonic means confirmed by written notice.

This provision is not intended to require payment for any hours not worked on the day on which an employee is suspended for cause and asked to leave his work.

2. Where a hardship of undue or unusual effect is claimed and demonstrated, the employee's suspension may, at the discretion of the appointing authority, be charged against accumulated compensatory time, vacation or administrative leave balances, if any, upon the request of the employee.

ARTICLE XI

Grievance Procedure

A. Grievance Definition

A "grievance" is:

1. A claimed breach, misinterpretation or improper application of the terms of this Agreement; or
2. A claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy, agreements, administrative decisions, or laws, applicable to the agency or Department which employs the grievant affecting the terms and conditions of employment.

B. Purpose

1. The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of the Agreement, or other conditions of employment by providing the exclusive vehicle set forth in this Article for the settlement of employee grievances, except that a grievant may request that the Civil Service

Commission agree to review any matter for which a specific appeal to the Commission is available as provided in C.I.a. 1-5, below. Nothing herein can be construed to require the Civil Service Commission to review such matter but any declination will be made in writing to the grievant and to the NJ State PBA - SLEU if a request to the Civil Service Commission is made by the grievant.

2. It is agreed that the individual employee is entitled to use this grievance procedure and to be represented by the NJ State PBA - SLEU upon his request in accordance with the provisions hereof. He shall not be coerced, intimidated or suffer any reprisal as a direct or indirect result of such use. The NJ State PBA - SLEU shall be notified of any scheduled grievance hearing.

3. Nothing in this Agreement shall be construed as compelling the NJ State PBA - SLEU to submit a grievance to arbitration or to represent an employee before the Civil Service Commission. The NJ State PBA - SLEU's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the NJ State PBA - SLEU.

4. No grievance settlement reached under the terms of this Agreement shall add to, subtract from or modify any terms of this Agreement.

5. For purposes of this Agreement, terms and conditions of employment shall be those matters which intimately and directly affect the work and welfare of the employees covered hereunder and which do not significantly interfere with the exercise of inherent management prerogatives pertinent to the determination of government policy.

C. Scope of the Grievance Procedure

1. It is understood by the parties that this grievance procedure represents the exclusive process for the resolution of disputed matters arising out of the Grievance Definition, A.1. and 2., above, except for those specific matters listed below:

a. Appeals of matters in disputes shall be made directly to the Civil Service Commission, subsequent to proper notification to the responsible local management officials, with regard to the following subject only:

1. Out-of-title work
2. Position classification and reevaluation review
3. Layoff and recall rights
4. Civil Service examination procedures for which an appeal exists
5. Removal at completion of working test period
6. Sick Leave Injury

2. Any claim of unjust discipline against an employee shall be processed in accordance with the provisions of Article XII, Discipline, of this Agreement.

3. Reference by name or title or otherwise in this Agreement to laws, rules, regulations, formal policies or orders of the State, shall not be construed as bringing any allegation concerning the interpretation or application of such matters within the scope of arbitrability as set forth in this Agreement except as provided in this Agreement.

D. General Rules and Procedures

1. All members of the collective negotiating unit must orally present and discuss his complaint with his immediate supervisor on an informal basis prior to filing a formal grievance at Step One, unless the below subsection (3) applies.

2. In the event that the grievance has not been satisfactorily resolved on an informal basis, then an appeal may be made on the grievance form specified below.

3. The parties agree that it is preferable to have grievances presented to the grievant's immediate supervisor. However, where the subject of a grievance, or its emergent nature, suggests it is appropriate, such grievance may be initiated at Step 1 without presentation and discussion with the immediate supervisor, or where the parties

mutually agree, at any higher step of the procedure without hearing at a lower step. Where the NJ State PBA - SLEU requests a grievance be initiated at Step Two or beyond based on a claim of emergency wherein the normal processing of the grievance would prejudice the effective relief sought and/or the substantive rights of the grievant and, if such request is denied by the agency of the State involved, the NJ State PBA - SLEU may seek an expedited determination by the Office of Employee Relations of the appropriate step to initiate such grievance. If the NJ State PBA - SLEU is not satisfied with this determination, then the issue of whether or not an emergency exists may be brought to an expedited arbitration hearing. The options to be prescribed would be: (a) initiate at Step One or; (b) initiate at Step Three.

4. Where a grievance directly concerns and is shared by more than one grievant, such group grievance may properly be initiated at the first level of supervision common to the several grievants, with the mutual consent of the parties as to the appropriate step. The presentation of such group grievance will be by the appropriate NJ State PBA - SLEU representative(s) and one of the affected grievants designated by the NJ State PBA - SLEU. A group grievance may be initiated by the NJ State PBA - SLEU representative of the party against whom it is made on "Grievance Forms" to be provided by the State. Such forms shall make adequate provision for the representative of each of the parties hereto to maintain a written record of all action taken in handling and disposing of the grievance at each step of the Grievance Procedure. The form shall contain a general description of the relevant facts from which the grievance derives and references to the sections of the Agreement, if any, which the grievant claims have been violated. The grievance form must be completed in its entirety. A group grievance initiated by the NJ State PBA - SLEU may be presented on the above form, or where appropriate, in another format provided that the grievance is fully set forth in writing and contains all the information called for by said form.

6. When a grievance is initiated, the original form shall be forwarded to the Personnel Officer of the appropriate operating agency. The remaining three (3) copies shall be kept intact while going through the steps of the Grievance Procedure. After the grievance is resolved, the copies shall be distributed as designated on the grievance form. A copy of the decision of the State at each step shall be provided to the NJ State PBA - SLEU representative involved.

7. Grievance resolutions or decisions at Step One and Step Two shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the Office of Employee Relations and the President of the State PBA - SLEU. This shall not be construed to preclude either party from introducing relevant evidence, including such grievance resolutions, as to the prior conduct of the other party.

E. Grievance Time Limits and Management Responses

1. A grievance must be filed initially within fifteen (15) calendar days from the date on which the act which is the subject of the grievance occurred or fifteen (15) calendar days from the date on which the grievant should reasonably have known of its occurrence. Other references to days in this process are working days of the party to which they apply. Working days as used in this Section shall mean Monday - Friday, excluding holidays.

2. Where a grievance involves exclusively an alleged error in calculation of salary payments, the grievance may be timely filed within thirty (30) days of the time the individual should reasonably have known of its occurrence.

3. Decisions after a scheduled hearing shall be rendered in writing to the grievant and to the NJ State PBA - SLEU representative within established time limits. The decision will be considered timely if rendered within the following limits.

- a. at Step One within ten (10) working days of the receipt of the grievance;
- b. at Step Two within fifteen (15) working days of the receipt of the appeal from the Step One decision.

The decision will also be considered timely if rendered within three (3) days after the conclusion of a Step One hearing and fifteen (15) days after the conclusion of a Step Two hearing in the circumstance where the parties have mutually agreed to hearing dates which would preclude the adherence to 3. a. and 3. b. above.

4. Should a grievance not be satisfactorily resolved, or should the employer not respond within the prescribed time periods, either after initial receipt of the grievance or after a hearing, the grievance may be appealed within five (5) working days to the next step. The lack of response by the State within the prescribed time periods unless time limits have been extended by mutual agreement, should be construed as a negative response. If a grievance is appealed to Step Two under the circumstances described in this paragraph, it shall be heard at Step Two unless the NJ State PBA - SLEU agrees to have it remanded to Step One.

5. When a grievance appeal is to be filed, the State representative at the last hearing shall inform the grievant of the name and position of the next higher level of management to whom the appeal should be presented.

6. Time limits under this Article may be changed by mutual agreement and requests for extensions of time limits will not be unreasonably denied.

7. If, at any step in the grievance procedure, the State's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

Where an extraordinary circumstance precludes the timely appeal of the grievance at any step, the NJ State PBA - SLEU may promptly seek a waiver of the time limit for such appeal by direct request to the Office of Employee Relations. Such request shall not be unreasonably denied.

8. No adjustment of any grievance shall impose retroactively beyond the date on which the grievance was initiated or the fifteen (15) day period provided in E.1. above except that payroll errors and related matters shall be corrected to date of error.

F. Grievance Investigation - Time Off

When a grievance has been formally submitted in writing and the NJ State PBA - SLEU represents the grievant, and where the NJ State PBA - SLEU Designated Subunit Representative or other representative officer requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the Designated Subunit Representative or Officer will be granted permission and reasonable time, to a limit of one (1) hour to investigate without loss of pay. It is understood that the supervisor shall schedule such time release, providing the work responsibilities of the Designated Subunit Representative or Officer and of any involved employee are adequately covered and providing further there is no disruption of work. Such time release shall not be unreasonably withheld and upon request could be extended beyond the one (1) hour limit for specified reasons, if to the supervisor, the circumstances warrant an exception to this limit. Where an NJ State PBA - SLEU Designated Subunit Representative or other representative officer serves a mutually agreed upon grievance district encompassing two (2) or more geographically separated work locations and where the circumstances require it, a supervisor shall authorize the additional time required for travel.

Such time release shall not be construed to include preparation of paperwork, record keeping, conferences among NJ State PBA - SLEU officials nor preparation for presentation at a grievance hearing.

G. Time Off for Grievance Hearings

1. An employee and his designated employee representative shall be allowed time off without loss of pay.
 - a. As may be required for appearance at a hearing of the employee's grievance scheduled during working hours.
 - b. For necessary travel time during working hours.
- If the hearing extends beyond the employee's normal working hours, compensatory time equal to the additional time spent at the hearing shall be granted but such time shall not be considered time worked for the computation of overtime.
2. Where the employee or the NJ State PBA - SLEU requests employee witnesses, permission for a reasonable number of witnesses required during the grievance proceedings will be granted. A witness at such proceedings will be permitted to appear without loss of pay for the time of appearance and travel time as required if during his normal scheduled working hours.
3. At Step One and beyond in the grievance procedure, witnesses may be heard and pertinent records received.
4. The NJ State PBA - SLEU representative may have the right directly to examine or cross-examine witnesses who appear at any step of this procedure.

H. Grievance Steps and Parties Therein

Grievances shall be presented and adjusted in accordance with the following procedures:

Step One

If the matter is not resolved informally, a grievance may be filed with the highest operational management representative. He or his designee shall hear the grievance, witnesses may be heard and pertinent records received. The grievant may be represented by:

- (1) an employee in the same work unit designated by the NJ State PBA - SLEU President, or
- (2) an NJ State PBA - SLEU elected officer at the institution or installation involved, or
- (3) other representative previously designated by the NJ State PBA - SLEU, and acknowledged by the State. The circumstances surrounding a grievance may suggest that the NJ State PBA - SLEU President has a particular need to assist in the presentation of the grievance at Step Two. He may make a request to do so to the Office of Employee Relations. Such request shall not be unreasonably denied.

Step Two

If the grievance is not satisfactorily disposed of at Step One, it may be appealed to the Department Head or his designee who shall not be a person who was directly involved in the grievance. The appeal shall be accompanied by the decisions at the preceding levels and any written record that has been made part of the preceding hearings.

The grievant may be represented by the NJ State PBA - SLEU President and/or his designee. The NJ State PBA - SLEU may designate an additional non-employee representative. If the decision involves a non-contractual grievance or if the grievant has presented his appeal without NJ State PBA - SLEU representation, the decision of the department head or his designee shall be final and a copy of such decision shall be sent to the NJ State PBA - SLEU.

Step Three

1. In the event that the grievance has not been satisfactorily resolved at Step Two, and the grievance involves an alleged violation of the Agreement as described in the definition of a grievance in A. I. above, then a request for arbitration may be brought only by the NJ State PBA - SLEU. The Union shall have ten (10) calendar days from the

date the NJ State PBA - SLEU receives the Step Two decision to file for arbitration on approved forms, which unless otherwise agreed shall be forms used by the Public Employment Relations Commission (PERC). The Union shall serve a copy of its request for arbitration, along with a copy of the Step Two decision, on the Director of the Office of Employee Relations ("OER"). The parties shall then select an arbitrator from the mutually approved panel of five arbitrators on a rotating basis. If mutually agreed, a pre-arbitration conference may be scheduled to frame the issue or issues. All communications concerning appeals and decisions shall be made in writing. A request for arbitration shall contain the names of the department or agency and employee involved, include copies of the original grievance, appeal documents and written decisions rendered at the lower step(s) of the grievance procedure.

2. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement or laws of the State, or any written policy of the State or sub-division thereof and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declaration of opinions which are not relevant in reaching the determination. The decision or award of the arbitrator shall be final and binding consistent with applicable law and this Agreement. In no event shall the same question or issue be the subject of arbitration more than once. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement. The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement. Rules, regulations, formal policies or orders of the State shall not be subject to revision by the arbitrator except if specifically provided herein. The fees and expenses of the arbitrator and recording of the procedure shall be divided equally between the parties. Either party may make a verbatim record through a certified transcriber, with the attendance fee of the court reporter shared between the parties. Any party ordering a transcript shall bear the cost of the transcript; however, if both parties want a copy of the transcript, the cost of the transcript, including any attendance fee, shall be shared equally between the parties. Further, the cost of any transcript, including any attendance fee (or copy of any transcript), requested by the Arbitrator, shall be shared equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

3. The arbitrator shall hold the hearing at a time and place convenient to the parties within sixty (60) calendar days of his acceptance to act as arbitrator and shall issue his decision within thirty (30) days after the close of the hearing. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

4. Whenever a grievance which is to be resolved at Step Three, Arbitration, is based on a provision of this Agreement in which the power or authority of the arbitrator is specifically limited, those limits shall be observed and the provisions of paragraph three (3) above shall be operable except and to the extent that the limitations in such provisions modify such powers or authority.

5. All panel arbitrators must agree, in writing and in advance as a condition for being placed on the panel, to accept a fee of no more than \$1,000 per day, and to impose a fee of no more than \$500 for a late cancellation by either party without good cause. Within sixty (60) days of the execution of this Agreement, the parties shall mutually agree upon a panel of five (5) arbitrators to hear grievances filed pursuant to Article XI. Each member of the panel shall serve in turn. If a member of the panel is

unable to serve the next member in sequence shall then serve. In the event the parties are unable to agree upon a panel of arbitrators who will accept appointment under Art. XI, Sec. H.1, the parties shall meet to discuss alternate cost and fee containment initiatives. In the interim, arbitrators shall be selected on a case by case basis under the selection procedure of the Public Employment Relations Commission, until such time as the parties mutually agree upon a panel.

ARTICLE XII

Discipline

A. Discipline of an employee shall be imposed only for just cause. The terms of this Article shall not apply to provisional employees or employees serving their working test period or unclassified employees except as specified in paragraph H.1. and paragraph I. below.

B. Discipline under this Article means official written reprimand, fine, suspension without pay, reduction in grade or dismissal from service, based upon the personal conduct or performance of the involved employee. Dismissal from service or reduction in grade based upon a layoff or operational changes made by the State shall not be construed to be discipline.

C. Just cause for discipline up to and including dismissal from service shall include those causes set forth in N.J.A.C. 4A:2-2.3. This list of causes set forth in N.J.A.C. 4A:2-2.3 is not exclusive and discipline up to and including dismissal from service may be made for any other combination of circumstances amounting to just cause.

D. Where an appointing authority or his designee imposes discipline pursuant to paragraph C, written notice of such discipline shall be given to the employee. Such notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline. Suspensions will not be implemented before the expiration of a period of seventy-two (72) hours from the beginning of the work shift during which the notice of suspension was given except in cases where, in the judgement of management, the suspension is directed at an immediate need to maintain safety, order or effective direction of work assignments.

E. The name of any employee who is notified of suspension or dismissal pursuant to paragraph D, shall be transmitted to the NJ State PBA - SLEU as soon as feasible but not to exceed seventy-two (72) hours after such notice.

F. Any appeal relating to the involved disciplinary matter must be filed by the employee within ten (10) calendar days of notice of discipline to the employee involved. The Department or Agency Head, or his designee, will convene a hearing within twenty (20) calendar days after receipt of such disciplinary appeal. The Department or Agency Head, or his designee, shall render a written decision within twenty (20) calendar days from the date of such hearing. The employee may be represented at such hearing by the Designated Subunit Representative, or his designee, and/or legal counsel. The circumstances surrounding a discipline case may suggest that the NJ State PBA - SLEU President has a particular need to assist in the presentation at the hearing. He may make a request to do so to the Office of Employee Relations. Such request shall not be unreasonably denied. The decision rendered herein shall be final except where the disciplinary appeal involves a penalty as set forth in paragraph G. below. Where the matter involves a disciplinary penalty other than those set forth in G. below, the Civil Service Commission may review the matter if timely presented in accordance with its discretionary jurisdiction.

G. 1. In the event the appeal has not been satisfactorily settled or otherwise resolved and involves the following contemplated or implemented penalties:

- (1) Suspension of more than five (5) days at one time;

- (2) The last suspension or fine where an employee receives more than three suspensions or fines of five working days or lessor a suspension or fine for five working days or less where the aggregate number of days suspended or fined for any one calendar year is 15 working days or more;

- (3) Demotion;
 - (4) Discharge;
- then,

a. The individual may request or petition the Civil Service Commission for a hearing which request must be received by the Civil Service Commission within twenty (20) days after the date of receipt of the decision rendered in paragraph F. The Civil Service Law and the Rules and Regulations promulgated thereunder shall govern the disposition of such a request or petition.

H. General Provisions

1. The terms of this Article shall not apply to provisional employees or employees serving a working test period, provided such working test period does not exceed six (6) months. This exclusion shall not apply to provisional or probationary employees who otherwise hold permanent appointment in a job classification included in the negotiating unit, except that under no circumstances will the State's judgment as to the adequacy of the employee's performance in a working test or provisional status, or any action taken in pursuance thereof be deemed to be discipline within the meaning of this Article. Employees serving their working test period shall retain all rights under the Civil Service Laws, Rules or Regulations.

2. In the event a formal charge of misconduct is made by the Employer against an employee and, if he so requests, he shall be entitled to a representative of the NJ State PBA - SLEU only as a witness or as an advisor during any subsequent interrogation of the employee concerning such charge. No recording of such procedure shall be made without notification to the employee and there shall be no presumption of guilt. The employee and/or the NJ State PBA - SLEU, if present, may request and receive a copy of such recording.

Where an employee is interrogated during the course of an investigation and when there is a reasonable likelihood that the individual being questioned may have formal charges preferred against him, the nature of those contemplated charges shall be made known to the employee who shall then, if he requests, be entitled to a representative of the NJ State PBA - SLEU, only as a witness or as an advisor, during subsequent interrogation concerning the charge provided that the interrogation process shall not be delayed and/or the requirement to expedite any official duty not be impaired.

3. Where criminal charges are initiated, the right of the employee to representation by his attorney shall not be violated.

4. All disciplinary charges shall be brought within 45 days of the appointing authority reasonably becoming aware of the offense. In the absence of the institution of the charge within the 45 day time period, the charge shall be considered dismissed. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed. Charges under EEOC shall be brought within 60 days.

5. Nothing in this Article of Agreement shall be construed to limit the right of the State to implement any disciplinary action notwithstanding the pendency of any appeal proceeding.

6. In the event a disciplinary action is initiated, the employee or his/her representative may request and shall be provided with copies of all written documents, reports, or statements which will be used against him/her at such hearing and a list of all known witnesses who may testify against him/her, which, normally, will be provided not less than three (3) days, exclusive of weekends, prior to the hearing date, but in no case

less than two (2) work days exclusive of weekends prior to the hearing date.

Where a fine is imposed as a disciplinary measure and the matter is appealed within the disciplinary procedure provided in this Agreement and where the fine is \$100 or more, the enforcement of the fine will be withheld upon request of the employee being fined pending hearings and final disposition of the appeal as provided herein, provided the employee continues in his employment with the State.

7. Before a permanent career services employee is suspended without pay pending dismissal he/she shall promptly be given an opportunity for an informal discussion at which the employee will be informed of the charges made and a synopsis of the evidence on which the State intends to rely. The employee shall have an opportunity to respond and/or refute.

8. The following shall constitute the disciplinary appeal procedure rights for unclassified and provisional employees, who have been employed in such capacity for a minimum of six (6) months.

1. In all disciplinary matters, except dismissal from service, such employees shall be entitled to utilize the provisions of this Article up to the Departmental hearing level.

2. In disciplinary matters involving dismissal from service, provisional employees, upon written request, shall be entitled to a conference with the Department or Agency Head or his designee to discuss the matter. The Department or Agency Head or his designee may conduct an administrative investigation of the matter.

3. In the event an unclassified employee is dismissed from State employment, without receiving specific written reasons and such dismissal is not related to fiscal problems or programmatic changes and in the judgment of the State such dismissal is not of a nature whereby the employee must be immediately removed from the work location, the State shall provide the employee with at least ten (10) calendar days notice in advance of the dismissal.

Unless there are exceptional circumstances when an unclassified employee is dismissed from State employment due to misconduct, management shall serve such employee with the specific written reasons, relating to such misconduct, and the employee may request and shall be granted a hearing by the department or agency head or his designee, whose decision shall be final. Time limits shall apply as provided in this article. The burden of proof shall be on the employee.

It is understood that nothing herein shall be construed as limiting the State from exercising its inherent discretion to terminate employees serving at the pleasure of the department or agency head, (i.e., unclassified employees), without setting forth the reasons therefore. Moreover, the issue of dismissal relative to any matter of job performance shall not fall within the purview of this article. Grievances concerning the interpretation of this article shall be processed as non-contractual A.2. grievances.

4. In no event shall the provisions of this Article apply where the employee is being removed as a result of the certification of a Civil Service Commission eligible list.

5. Nothing in this Article shall be construed as a waiver of any rights any employee may have under Civil Service Statute or the Civil Service Rules and Regulations.

J. Special Procedure for Review and Arbitration of Suspensions of One Through Five Days

1. The parties agree to establish a Joint Union Management Panel consisting of one (1) person selected by the State and one (1) person selected by the NJ State PBA - SLEU and a third party neutral mutually selected by the parties. Each panel member shall serve on an ad hoc or other basis. The purpose of this panel is to review appeals from Departmental determinations upholding disciplinary suspensions of one (1) through

five (5) days, excepting unclassified, provisional or probationary employees. All panel neutrals must agree, in advance as a condition for being selected for inclusion on a panel, to accept a fee of no more than \$1,000 per day, and to impose a fee of no more than \$500 for a late cancellation by either party without good cause.

2. In order for a disciplinary appeal from the NJ State PBA - SLEU to be considered by the panel, a written notice of appeal must be filed with the Department (or Agency Head) or designee, who issued the decision upholding the disciplinary action. Such notice must be filed within ten (10) days of the issuance of such decision. The Department (or Agency Head) or designee will promptly forward a copy of such notice to the Office of Employee Relations and the NJ State PBA - SLEU together with a copy of the decision and any other documents that have been made a part of the record of the matter.

3. The panel shall meet once every three to four months providing that there are any matters to be considered. The parties may mutually agree to schedule additional meetings if necessary. The agenda of each meeting shall consist of all matters as to which the NJ State PBA - SLEU has requested panel consideration, provided that the request is received at least seven (7) calendar days prior to the scheduled date of the panel meeting. Ordinarily, no matter will be held pending hearing for longer than sixty (60) days.

4. The panel considerations shall be based upon the Department Head's or designee's decision and any documents that have been made a part of the record of the matter before such Department Head or designee. The State and NJ State PBA - SLEU panel members shall discuss each matter on the agenda and, with the assistance of the neutral panel member, attempt to jointly resolve the appeal. Where the State and NJ State PBA - SLEU panel do not agree as to the disposition of the appeal, the neutral panel member may suggest that the matter raises issues which may warrant submission to arbitration.

5. The neutral shall maintain a written record of the disposition of each matter which shall be signed by each panel member. Unless mutually agreed to the contrary, the written disposition of each matter shall be made at the panel meeting at which it is considered, and a copy shall be provided to each panel member.

6. In the event the neutral suggests that a matter raises issues which may warrant submission to arbitration, the NJ State PBA - SLEU may elect to appeal the matter to disciplinary arbitration. An appeal to disciplinary arbitration may be brought only by the NJ State PBA - SLEU by making a written request for disciplinary arbitration by certified or registered mail to the Director of the Office of Employee Relations, which must be postmarked within eighteen (18) calendar days from the date of receipt of the neutral panel member's determination. The neutral panel member may not serve as the arbitrator for any matter which has been submitted to the panel. The sole determination to be made by the arbitrator shall be the guilt or innocence of the employee and he shall therefore either sustain the penalty imposed or vacate it by his opinion and award. The fees and expenses of the arbitrator and recording of the procedure shall be divided equally between the parties.

7. The parties will jointly select the neutral within thirty (30) days of the ratification of this contract. The fees of the neutral panel member will be shared equally by the parties.

8. In addition to the members described in paragraph 1. above, each party may utilize one other resource person for each case brought before the panel.

9. Within 30 days of the execution of this Agreement, the parties shall mutually agree upon a panel of three (3) arbitrators to hear minor discipline cases raised under this contractual provision. Each member of the panel shall serve in turn. If a member of the panel is unable to serve the next member in sequence shall then serve. In

the event the parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected on a case by case basis under the selection procedure of the Public Employment Relations Commission, until such time as the parties mutually agree upon a panel.

10. Any officer that wishes to proceed to the JUMP Panel may proceed only through submission of the issue to NJ State PBA - SLEU. NJ State PBA - SLEU is required to designate one individual through which all submissions to the JUMP Panel are to be made. The State will only recognize proper JUMP Panel requests made through the one designated individual. The State shall not be obligated or permitted to process any notice of appeal that is not submitted pursuant to the above process.

ARTICLE XIII

Seniority

A. A newly appointed employee shall be considered probationary and without seniority.

B. Permanent employees shall, on the day worked immediately following the successful completion of the probationary period, be considered to have State seniority as of the date of employment. Such State seniority shall accumulate until there is a break in service. State seniority of an employee who is reinstated after a period of layoff shall be continued retroactively exclusive of the period of layoff.

C. An employee shall be considered to have job classification seniority upon successful completion of the probationary period for that job as of the date of employment or permanent promotion to that job. Job classification seniority shall accumulate until there is a break in service.

D. 1. A break in continuous service occurs when an employee resigns, is discharged for cause, retires or is laid off.

Such approval and scheduling shall not be unreasonably withheld. Where an employee has earned vacation credit in excess of a one (1) year allowance as of October 31, the employee will meet with his supervisor to schedule such vacation time.

B. Vacation Schedule

1. It is understood that the current program to schedule vacation time at each jurisdiction will be continued and that such program will include a procedure for advance schedule of vacation time. Such advance scheduling procedures shall allow employees to reserve some portion of their annual vacation allotment to be used as individual days off upon request through the proper procedure established for that purpose. The allowance for the above described practice shall not be less than five (5) days for all employees. Conflicts concerning dates of vacation for those weeks that are scheduled in the advance scheduling period will be resolved within the work unit on the basis of "work unit seniority." Use of the days that are reserved for individual use will be honored on a first come, first served basis. Requests for the use of individual days of vacations that are made at least 48 hours in advance will not be denied on the basis of timeliness. Nothing herein shall preclude an appointing authority from establishing a shorter advance notice practice.

2. "Work unit seniority" for purposes of conflicts in vacation and other leave shall be defined as time in each title in the bargaining unit.

Whenever limitations are imposed on the scheduling of vacations because of operational requirements in a work unit, the agency involved will clearly establish and publish the rules and regulations. The total number of weeks of available vacation for each work unit during each of the periods outlined below shall be determined by the agency and the regulations as to scheduling such vacation shall not violate the following criteria of a. to h., inclusive:

management from granting more than one week of vacation during the period described if operational concerns are otherwise satisfied.

- b. During at least three (3) individual or consecutive months of the year the maximum allowable vacation for which an employee may apply shall not be less than three (3) consecutive weeks.
- c. During at least six (6) individual or consecutive months, including those months in b. above, the maximum allowable vacation for which an employee may apply shall not be less than two (2) consecutive weeks.
- d. During the remainder of the calendar year the maximum allowable vacation for which an employee may apply shall not be less than one (1) week.
- e. None of the allowance limits stated above are intended to preclude the granting of lesser periods of vacation if requested by an employee or granting full use of vacation when it can be allowed.
- f. It is understood that due to seasonal work load requirements or emergencies, the agency may select months in which no vacations can be scheduled except that the provision of a. above may not be violated.
- g. It is also understood that when such limitations apply, but the employees in the agency do not fully subscribe for the amount of vacation leave which the work unit has determined can be available, then other employees in the work unit who wish to utilize more of their earned and available vacation than would normally be allowed shall be given reconsideration and, where reasonable, allowed to schedule such additional time even if in excess of the established rules.
- h. Should the agency propose new rules and regulations concerning vacation scheduling, they shall be discussed with the employee representatives before they are finalized and become operable.

3. Where the vacation schedule is established but there is need to adjust the schedule due to unforeseen pressure of the work, after voluntary changes are made, the employees named and required to make a change will be in inverse order of their seniority except that consideration will be given to a substantial commitment made by the employee involved. Vacation schedules shall not be changed later than thirty (30) days prior to the vacation unless mutually agreed upon or in case of emergency.

C. Payment For Vacation

1. Upon separation from the State, or upon retirement, an employee shall be entitled to earned vacation allowance including carryover time and the vacation allowance for the current year on a prorated basis consistent with N.J.A.C. 4A:6-1.5 and N.J.S.A. 11A:6-2.
2. If a permanent employee dies having vacation credits, unused vacation leave shall be paid to the employee's estate pursuant to N.J.A.C. 4A:6-1.2(j).

Moreover, under no circumstances shall there be compensation for personal preference days after retirement and employees shall be docked for any personal preference days that were utilized based upon the expectation of continued employment through the calendar year. Notwithstanding the foregoing, when an employee has already selected a personal preference day and worked the corresponding holiday as promised, and the employee gives at least ten (10) days written notice that he/she will be in no pay status for a period of at least twenty (20) days due to a documented medical condition, the employee may request that the personal preference day be rescheduled to a later date and such request shall be considered in light of operational needs;

Administrative leave may be scheduled in hours.

Requests for the use of an administrative leave day for a non-emergency that are made at least 48 hours in advance shall not be denied solely on the basis of timeliness. Requests for the use of administrative leave for emergency purposes can be made at any time prior to the leave.

D. Such leave credit shall not accumulate. Unused balances in any year shall be cancelled.

ARTICLE XIX

Special Time Off

Requests for the use of compensatory time made at least 48 hours in advance shall not be denied solely on the basis of timeliness. This does not preclude an appointing authority from establishing a shorter notice practice.

C. An employee may be required to schedule compensatory time off in keeping with the needs within a work unit. Reasonable notice will be given to the employee.

If the duration of absence exceeds two (2) consecutive days, it will be necessary to report on every third day. Failure to report absences or abuse of sick leave privileges on the part of any employee may be cause for disciplinary action. A personal physician's certificate may be required to substantiate the request for sick leave but this requirement shall not be imposed on a basis inconsistent with the Civil Service Rules and Regulations.

C. Sick leave for absences of more than eight (8) days must be requested by the employee in writing to his immediate supervisor. In addition, the employee must submit a written and signed statement by a personal physician prescribing the reasons for the sick leave and the anticipated duration of the incapacity to human resources.

If there is a death in the family as defined in the State Sick Leave Program and an employee has exhausted his sick leave balance, he shall be granted Leave without pay or may charge leave against vacation or administrative leave or compensatory time balances for up to three (3) days upon his request to the appointing authority. This supplemental compensation shall be paid in a lump sum after the effective date of retirement or at the option of the employee on quarterly dates: January 1, April 1, July 1 and October 1, with payments beginning on the quarterly date next following the date of retirement.

I. Such leave may be renewed on an annual basis as the term of office of such position requires to a total period not exceeding four (4) years. C. All requests for leave of absence or renewal are subject to approval.

ARTICLE XXV

Leave for NJ State PBA - SLEU Activity

A. The State agrees to provide leaves of absence with pay for delegates or designees of the NJ State PBA - SLEU to attend union activities. A total of 1260 hours of such leave may be used per year each year of the Agreement. Employees working alternate workweek schedules who are released from work for an entire day must charge the number of hours equal to their regular workday.

B. The above hours of leave are to be used exclusively for NJ State PBA-SLEU activities for which approval pursuant to Section D is required and which are not expressly set forth in paragraph C of this provision. In consideration for the number of leave hours set forth in paragraph A above, the parties hereby agree to eliminate the distinction between a "chargeable" and a "non-chargeable" day. Except as expressly set forth in paragraph C of this provision, all leave for NJ State PBA - SLEU activities shall be chargeable, including but not limited to: (i) graduation ceremonies, (ii) random urine selection process, (iii) joint safety and health committee meetings held on the departmental level, and (iv) employee relations meetings that occur on the departmental

level.

C. The following sets forth the sole and exclusive circumstances where the NJ State PBA - SLEU shall be permitted leave for NJ State PBA - SLEU activity, but shall not be required to utilize the hours of leave for NJ State PBA - SLEU activity provided in paragraph A above:

1. Convention leave that is taken pursuant to, and in accordance with, the provisions of New Jersey law and ordinarily granted under statute.
2. Employee Relations Meetings or Joint Safety and Health Committee Meetings that occur at the departmental level to the extent that they are required by the department on more than a quarterly basis. An Employee Relations Meeting shall be defined as any meeting that the Administration agrees to participate in that relates to aspects of the Collective Bargaining Agreement, terms and conditions of employment, or pay and benefits for NJ State PBA - SLEU members. This definition shall not include meetings that relate to an individual employee's grievance or individual employee's discipline. A Joint Safety and Health Committee Meeting shall be defined as any meeting that the Administration agrees to participate in that affects the health, safety, or welfare of the employees in the SLEU units.
3. Leave taken by a representative of the NJ State PBA - SLEU to represent NJ State PBA - SLEU members at: (i) hearings or appearances before an Administrative Law Judge at the Office of Administrative Law, (ii) arbitration hearings, conferences or appearances, (iii) proceedings at the New Jersey Public Employment Relations Commission, (iv) appearances at alternative dispute resolution and/or JUMP Panel meetings, hearings or conferences, (v) pre-arbitration conferences held in accordance with Article XI, Section H, Step 3, paragraph 1, or (vi) Lauderhill hearings.
4. The State agrees that during working hours, on its premises and without loss of pay, properly designated and mutually agreed upon NJ State PBA - SLEU representatives shall be allowed to:

- a. represent employees or assist counsel in representing employees in the negotiating unit at grievance proceedings or departmental disciplinary hearings; also to represent employees at investigative interviews in accordance with Article XII, Section H, paragraph 2 (Weingarten representatives); these activities must be done by the on-site representative unless the on-site representative is unavailable, in which case the NJ State PBA - SLEU can designate a replacement to act as the representative. The sole exception to this requirement is where the NJ State PBA - SLEU President or a member of the President's Executive Board has requested to represent an employee instead of the on-site representative pursuant to Article XI (H) (step one) or Article XII (F) of the Agreement based on showing of a particular need to assist in the

grievance or hearing, and such request has been granted by the Office of Employee Relations.

- b. Submit NJ State PBA - SLEU notices for posting;
- c. Attend successor contract negotiation sessions with the State if designated as a member of the negotiating team to a maximum of two (2) employees per subunit. However, for all but the four largest subunits, the State shall not be required to release more than one (1) designated employee per subunit. The four largest subunits are Park Police Officers, Conservation Officers, Human Services Police Officers and Campus Police Officers. Where exception is required, a request for one (1) additional employee can be made and may be approved based on the appropriateness of the request to the issues being negotiated. If subunit negotiations occur, the number of NJ State PBA-SLEU representatives will be determined by mutual agreement.

The designated subunit employees shall be released for successor contract negotiations meetings with the State unless there is an emergency or special event that requires additional staffing such that officers on days off are called to work for that shift and other leave requests are denied.

Where the representative, upon completion of the representational activities set forth in Section C(2), C(3) and C(4), above, could return to work with at least one (1) hour remaining on his/her scheduled shift, such representative must return to work and complete the remainder of his or her scheduled work shift. The determination of whether the representative could return to work with at least one (1) hour remaining on his/her scheduled shift shall take into account reasonable travel time from the location of the representational activity back to the representative's work location.

D. Application for any leave pursuant to this Article shall be submitted in writing to the Governor's Office of Employee Relations at least fourteen (14) days in advance to be reviewed for contractual compliance, and then forwarded to the affected department to determine if the request will cause an undue hardship on the department. Timely requests will not be unreasonably denied. Leaves will only be granted to individuals authorized by the NJ State PBA - SLEU President.

E. - C. Normally, when an employee is called into work outside his regular shift, he will be provided a full work shift or the balance of the shift to which he is called. - G. Where conditions of work permit, a rest period of fifteen (15) minutes shall be provided during each one-half (1/2) shift and employees who are required to work beyond their regular quitting time into the next shift may receive an additional fifteen (15) minute rest period when the period of work beyond their regular shift exceeds two (2) hours.

- A. Overtime will accrue and compensation will be made in compliance with the Civil Service Rules and Regulations and Personnel Manual. Eligible employees will be compensated at the rate of time and one-half (1.5) for overtime hours accrued in excess of the designated work week. These compensation credits shall be given in compensatory time or in cash.
1. For the purpose of computing overtime, all holiday hours, whether worked or not, for which an employee is compensated shall be regarded as hours worked. Overtime pay shall not be pyramided.
2. "Scheduled overtime" means overtime assigned prior to the day on which it is to be worked.
3. "Non-scheduled overtime" means assigned overtime made on the day on which it is to be worked.
4. "Incidental overtime" is a period of assigned non-scheduled overtime worked of less than fifteen (15) minutes.
5. When a scheduled work shift extends from one (1) day to the next, it is considered to be on the day in which the larger portion of the hours are scheduled and all hours of the scheduled shift are considered to be on that day.

B. 1. The State will give advance notice of all scheduled overtime to each employee concerned. Such scheduled overtime will be assigned minimally in units of one (1) hour and in hourly or half-hourly increments thereafter when such overtime is to be performed contiguous to the employee's scheduled work shift. When overtime is scheduled not contiguous to the employee's work shift, it will be assigned minimally in units of two (2) hours and in hourly or half-hourly increments thereafter. All such scheduled overtime will be in accordance with the provisions expressed in "Scheduling of Overtime".

2. An employee who is assigned non-scheduled overtime in excess of fifteen (15) minutes will be guaranteed a minimum of one (1) hour's work. The opportunity to work scheduled overtime shall be extended to each employee on a rotational basis provided the employee is capable of performing the work except where the overtime requirement is caused by an emergency condition. The declaration of an emergency shall be by the ranking authority at the location or institution involved or an authorized designee.

B. Each employee is expected to be available for a reasonable amount of overtime work. An employee who refuses an overtime assignment with a reasonable excuse will not be subjected to disciplinary action. Where the NJ State PBA - SLEU President is required to attend a grievance hearing as prescribed in this Agreement or the regular monthly meetings of the union, and where non-emergency overtime is to be assigned at the same time of such a meeting, the President shall be excused from the requirement to perform the conflicting overtime, providing a request to be excused is initiated by the President when the offered overtime assignment is first made.

A designee of the President who has been named and acknowledged by the State will be accorded a similar privilege only when non-emergency assignments would conflict with attendance at contract negotiations meetings with the State or a scheduled grievance hearing under the conditions set forth above.

C. On a semi-annual basis commencing with the implementation of this provision, the distribution of overtime shall be evaluated and assignments of overtime made thereafter shall reflect the approximate equalization of overtime for each employee in the work unit by job classification.

For the purpose of determining approximate equalization of overtime, any overtime assignment offered, whether or not worked, will be considered as if it were worked.

To the extent that a disproportionate distribution of overtime exists because of special ability or inability to perform the work assignments, those hours will not be considered in the semi-annual equalization. This provision will not be abused.

D. Lists showing the rotational order of each employee and the total overtime worked and refused by each employee shall be maintained in the work unit. Such lists

shall be made available for inspection on request to NJ State PBA - SLEU Officers and employees concerned.
An overtime assignment is accepted subject to all appropriate rules and regulations of the State or Department and provisions of this Agreement.

E. In the event a dispute regarding this Article is resolved in the Union's favor, the sole remedy available shall be the granting of the next available overtime opportunity to the aggrieved employee(s), without the aggrieved employee(s) being displaced in the subsequent overtime rotation. In no event shall overtime payment be provided for a shift not worked.

E. When it has been determined that a position which represents a provisional promotional opportunity is to be filled, employees at the location where the opportunity

The fringe benefits, which are substantially uniform in their application to employees in the unit, and which are currently provided to those employees, including, but not limited to, the Health Benefits Program, the Life Insurance Program, the Prescription Drug Program and their like, shall remain in effect without diminution during the term of this Agreement unless modified herein, changed pursuant to statutory authority or by subsequent agreement of the parties.

B. Other substantial benefits, not within the meaning of paragraph A above, currently enjoyed by an employee or a group of employees which are not in contradiction to current State law, regulation or policy and which are not in contradiction with other provisions of this Agreement shall remain in effect during the term of this Agreement and the continuation of the employee in his present assignment, provided that the continuance of such substantial benefit is not unreasonable under all of the circumstances and provided that if the State changes or intends to make changes which have the effect of substantial modification or elimination of such substantial benefits, the State will notify the NJ State PBA - SLEU and, if requested by the NJ State PBA - SLEU within ten (10) days of such notice or within ten (10) days of the date on which the change would reasonably have become known to the employees affected, the State shall within twenty (20) days of such request enter negotiations with the NJ State PBA - SLEU on the matter involved providing the matter is within the scope of issues which are mandatorily negotiable under the Employer-Employee Relations Act as amended and, further, if a

dispute arises as to the negotiability of such matters that the procedures of the Public Employment Relations Commission shall be utilized to resolve such dispute.

It is further agreed that the State shall refrain from implementation of changes in the circumstances where the obligation to negotiate has been mutually agreed until such time as there has been a reasonable opportunity for the position of the parties to be fully negotiated in good faith.

It is further understood that the absence of mutual agreement as to the obligation to negotiate is not construed to be a waiver of any rights of the parties under the provisions of the Employer-Employee Relations Act as amended.

ARTICLE XLIII

Effect of Law

A. Legislative Action

In the event that legislation becomes effective during the term of this Agreement which has the effect of improving the fringe benefits otherwise available to eligible employees in this unit, this Agreement shall not be construed as a limitation on their eligibility for such improvements.

Upon request of either party the State and the NJ State PBA - SLEU agree to meet and renegotiate any provision so affected.

An employee desiring to engage in outside employment shall request permission in writing. Approval or disapproval of such requests shall be transmitted within fourteen (14) calendar days and shall not be unreasonably withheld.

It is understood that outside employment shall not interfere with the efficient operation of the department or agency and the recognized priority of the employee's responsibility to assignments in his or her work as an employee.

All grievances arising under this Article shall be considered grievances as defined in A.2 of the Grievance Procedure.

ARTICLE XLV

Claims Adjustment

A claim for such loss must be filed within thirty (30) days of the time when the loss occurred. The claim must be filled out on the forms provided, including the requested adjustment, and submitted to the State for this action. The State shall provide the forms and any instructions which may be necessary for the completion or processing of the forms.

The thirty (30) days requirement noted above may be extended by mutual agreement. The agreement by the employer shall not be unreasonably withheld.

ARTICLE XLVII

Term of Agreement

This contract shall become effective on July 1, 2011, and shall remain in full force and effect until June 30, 2015. The State and the NJ State PBA - SLEU acknowledge this to be their complete Agreement, except as may be added hereto by particular reference in memorandum of understanding predating the date of signing of this Agreement, and inclusive of all negotiable issues whether or not discussed and hereby waive any right to further negotiations on any issues presented except that any rights or obligations of either party to negotiate, as set forth within the New Jersey Employer-Employee Relations Act (ch. 303 L. 68 and ch. 123 L. 74) and as amended, are acknowledged and not waived.

APPENDIX I

The following provision(s) are set forth for informational purposes only. The non-negotiable matters as they apply to individual employees affected shall be grievable within the provisions of the Grievance Procedure in the Agreement as defined in Article XI, Section A.2.

Reassignment

A. 1. Reassignment is the movement of an employee from one job assignment to another within his job classification and within the work unit, organizational unit or department. Each employee shall be notified as to the work unit referred to herein. Such work units shall not be defined by shifts.

2. Reassignments of employees may be made in accordance with the fiscal responsibilities of the appointing authority; to improve or maintain operational effectiveness; or to provide employee development and job training or a balance of employee experience in any work area. Where such reassignments are not mutually agreed to, the appointing authority will make reassignments in the inverse order of the job classification seniority of the employees affected.

3. When temporary (i.e. for a period of six (6) months or less) reassignments are made to achieve any of the objectives in A.2. above, employees to be affected will be given maximum possible notice. The consideration of seniority otherwise applicable in reassignments will not apply.

B. Where the principles in A.2 above are observed, requests for voluntary reassignment within the organizational unit or department shall be given consideration.

An employee desiring reassignment to any job in his organizational unit or department may submit an application through his supervisor in writing to his personnel officer stating the reasons for the request. Employees who are capable of performing the work and who apply for such reassignments will be considered and reassignments will be made on the basis of these requests. Where more than one (1) request for reassignment from qualified employees deemed capable of performing the work in such a job is on record, any assignments will be made on the basis of the job classification seniority of employees having recorded such a request.

C. 1. When personnel changes in a work unit provide opportunities for shift or schedule changes, interested employees may apply for desired assignments to the work unit supervisor. Such changes in assignment will be made on the basis of the job classification seniority of employees requesting the change, except that priority is given to the assignment of individual employees as provided in A.2. above.

2. When a vacancy is filled by an employee from outside a work unit, the employee joining that work unit shall be assigned the open position on the shift and work schedule which were appropriate to the opening.

Two officers in a title covered by Article XIV, Section D who mutually desire to "swap" or exchange work locations to reduce a commute from a permanent residence to his/her place of permanent assignment may jointly submit a written application through their supervisors to their personnel officers requesting reassignment to the other's assignment. Such requests will not be unreasonably denied where the requesting officers are qualified for the reassignment and provided the mutual transfer does not negatively impact operational needs.

D. An employee may have on record no more than two (2) requests for reassignment in B. above.

E. When an employee is granted a voluntary reassignment under provisions of B. or C. above, he shall then be eligible for only one (1) additional voluntary reassignment in the succeeding twelve (12) month period. Consideration will be given to a request for additional reassignment where special circumstances exist. A promotion is not considered to be a reassignment.

F. Whenever an employee is required to sign a C.S. 21 form, a copy of the signed form shall be provided to the employee upon request for same.

G. While it is acknowledged that reassignments of any employees may be made for any of the purposes outlined in A.2. above, the reassignment of groups of employees who comprise a work unit shall not be made on a routine rotational basis without good cause.
